Mental Health Red Flags:

- Over-analyzing, worrying, anxiety
- High amounts of stress
- Self-doubt, lack of self-confidence
- Inability to make decisions, second-guessing yourself
- Negative self-talk
- Inability to emotionally connect
- Excessive tiredness
- Not excited about the future
- Feeling lost, not having a purpose
- Social withdrawal or isolation

It's normal to have bad days or dips in confidence, but if you or someone you know is experiencing 3-4+ intense symptoms every day for 10+ days straight, something more serious could be going on. Take action immediately!
