Rev. Elmore Garner, Pastor

A Monthly Newsletter

## SELFLESS DEDICATION

By Sis. Charmagne Turpeau

Some may view Friday the 13th as an unlucky day, but on Friday April 13, 2018, it was a day of dedication. A day in which a man, **Rev. Dr. Manuel Jackson Jr.**, my father, who stands tall in his service to mankind was honored for his dedication and commitment to his family, friends, community, and the Lake Charles Ward 3 Recreation Department and Board.

Rev. Dr. Manuel Jackson, Jr. accepted the call to ministry under Rev. Elmore Garner. While at Mount Calvary Baptist Church, he was faithful to the Brotherhood, Male Chorus, and Sunday School. He was an Associate Minister under Rev. Garner until he moved his membership to True Light Baptist Church.

The Rev. Dr. Manuel Jackson, Jr. was honored for his service to Lake Charles Ward 3 Recreation. He has been a pillar in this community for his untiring service to uplifting his community. So when he was asked to serve on the Lake Charles Ward 3 Recreation Board some 11 years ago, he accepted without hesitation. Many

came out to support and speak on his character, hard work, dedication, and most of all his Christian faith. They spoke on Mr. Jackson's humbleness, his love for his people and his desire to be used by God, and most importantly how his is not a QUITTER.

Little did Dr. Jackson, Jr. know that the Weight Room at the Pryce Miller Recreation Center was being dedicated to him. He only thought that we all gathered to speak of his dedication and service to the Lake Charles Ward 3 Recreation Board and Department.

As the program came to an end, Board members and staff stood to unveil the Bronze photograph of the Rev. Dr. Manuel

Jackson, Jr. As they unveiled the photograph, which is now affixed on the wall of the Pryce-Miller Recreation Center, the tears begin to flow. He had no idea the

for he shall never be disappointed."

room was being dedicated to him.

Believe it or not, he got up and blessed the audience with prayer, spiritual songs and even a story. We were blessed and amazed by his strong voice as he got up to speak and sing. You see, you may not know his story, but truly he

gave his testimony each time he stood up. With others by his side, he stood tall. He sung as if he were singing, back in the day, standing in the choir stand with the Mount Calvary Male chorus.

As stated best by Muhammad Ali, “Service to others is the rent you pay for your room here on earth.” Mr. Jackson’s strong belief has always been that the volunteer work one does for others does not have to be compensated or recognized. When volunteering and helping others, it should come from the heart. The Rev. Dr. Manuel Jackson, Jr.’s selfless giving has been and will always remain a trait that I wish to continue to emulate in my life. As an adult, I now understand and recognize the impact that this man I am proud to call DAD has had on this community and the lives of others.

**May’s Fulfillment Hour Lessons  
Unit 3: Give Praise to God**

This final section has four lessons that emphasize the people’s response by bringing offerings and “dedicating their lives” to God’s work .

**May 6th – Giving from a Generous Heart (*Exodus 35:20-29; 2 Corinthians 9:6-8*)**

⇒ 2 Corinthians 9:7 (AMP) – “Let each one [give] as he has made up his own mind and purposed in his heart, not reluctantly or sorrowfully or under compulsion, for God loves (He takes pleasure in, prizes above other things, and is unwilling to abandon or to do without) a cheerful (joyous, “prompt to do it”) giver [whose heart is in his giving].”

It is absolutely crucial to note one thing: God does not accept the gift of a person who does not want to give. God expects four things of the person who gives.

- 1) The giver must give as he purposes in his heart.
- 2) The giver must not give grudgingly: not out of sorrow, not with reluctance or regret.
- 3) The giver must not give out of necessity.
- 4) The giver must give cheerfully if he wishes God to accept his gift.

**May 13th – Bringing First Fruits (*Leviticus 23:9-14, 22*)**

⇒ Leviticus 23:10 (NLT) – “Give the following instructions to the people of Israel. When you enter the land I am

giving you and you harvest its first crops, bring the priest a bundle of grain from the first cutting of your grain harvest.”

This was a festival to thank God for the crops, for the harvest of food that gave people life. This was a symbol of Christ’s resurrection: He is the first of the harvest, the first to arise from the dead. Note that this festival could not begin until the people had entered the Promised Land.

**May 20nd – Remembering with Joy (Leviticus 25:1-12)**

⇒ Leviticus 25:10 (NLT) – “Set this year apart as holy, a time to proclaim freedom throughout the land for all who live there. It will be a jubilee year for you, when each of you may return to the land that belonged to your ancestors and return to your own clan.”

There was the law governing the Year of Jubilee. The Sabbatical Year of rest was not all that God set aside for His people. He also established the Year of Jubilee. Jubilee refers to a fifty-year celebration of liberty, freedom, and redemption. The Year of Jubilee proclaimed one of the greatest messages God ever gave His people: the message of freedom and redemption. It is the message inscribed on the Liberty Bell of the United States of America: “Proclaim liberty throughout all the land.”

**May 27th – Rejoicing in Restoration (Psalm 34:1-10; Hebrews 2:17-18)**

⇒ *Taste and see that the Lord is good: blessed is the man that trusteth in Him.*  
PSALMS 34: 8

David was not suggesting that we sample the Lord’s goodness to see if we like it; rather, he was imploring us to take every action necessary to receive all that God promises to those who seek Him. In doing so, we will see for ourselves that God is truly good.

## The Promises of God In five translations

Psalm 9:10 (KJV) – “And they that know thy name will put their trust in thee: for thou, LORD, hast not forsaken them that seek thee.”

Psalm 9:10 (NLT) – “Those who know your name trust in you, for you, O LORD, do not abandon those who search for you.”

Psalm 9:10 (MSG) – “The moment you arrive, you relax; you’re never sorry you knocked.”

Psalm 9:10 (NIV) – “Those who know your name will trust in you, for you, LORD, have never forsaken those who seek you.”

Psalm 9:10 (AMP) – “And they who know Your name [who have experience and acquaintance with Your mercy] will lean on and confidently put their trust in You, for You, Lord, have not forsaken those who seek (inquire of and for) You [on the authority of God’s Word and the right of their necessity].”

## MARCUS GREENE MAKES BHF HALL OF FAME

**Marcus Greene** is the 14 year old son of Eric and Julie Greene and big brother to Camron Greene. He is an eighth grade student at St. Margaret Catholic School. He is also a member of Mt. Calvary Baptist Church, where Rev. Elmore Garner is the pastor. Marcus is on the basketball team and is a member of the choir. He started playing the guitar a year and a half ago. His talent has garnered him invitations to several gospel musicals to render songs to praise God. He was also asked to render in song, with his guitar, at St. Margaret School's awards day ceremony and to be a special musical guest for the Kiwanis Club Black History Program.

Marcus believes in letting his little light shine. Because of his tremendous talent and his willingness to share it, he was nominated by Ms. Christine Daigle to the

2018 Black Heritage Festival's Hall of Fame Committee. Then, on March 10, 2018, Marcus Greene became the youngest Black Heritage Festival's Hall of Fame Inductee for his musical talents. He was presented a plaque then joined on stage with the other honored inductees. His father, Eric, and brother, Camron, were there to celebrate the honor with him.

# Spring Lawn Care Safety

Now that spring is here many of us need to complete the jobs we deferred during the winter months. Some of these jobs require us to use power tools of different types. These tools expose us to risk of an accident. Listed below are twenty precautions each of us should consider before starting a job.

## Power Tools

*Every tool has its own "DANGERS" and precautions that apply to it. In the case of power tools, many of these are the same.*

- 1) Always read, understand and follow the "Instruction Manual" before attempting to use any power tool in any way. Also read the nameplate information and follow the warning labels on the tool itself. If you are not familiar with a certain power tool and the danger it can have on your health, get help with that project.

- 2) Always wear safety goggles or safety glasses with side shields. Use a dust mask for dusty operations, and wear hearing protection if you'll be using the tool for an extended period of time.

- 3) Dress right, and remember that looks don't count. No loose-fitting clothing, no neckties, no jewelry, no dangling objects of any kind. Long hair must be tied back out of your way. Non-slip footwear is recommended.

- 4) Never use power tools if you are tired, sick, distracted, or under the influence of drugs or alcohol.
- 5) Make sure your work area is neat and clean and free of any debris that might get in your way or be ignited by hot tools, chips or sparks.
- 6) Make sure your work area has plenty of bright, shadow-free light.

- 7) Before you plug in any power tool, make sure the power switch is off.
- 8) Be sure all appropriate guards are in place and working.
- 9) Always turn off and unplug the tool before you make any adjustments or change accessories.
- 10) Never use any accessory except those specifically supplied or recommended by the manufacturer. They should be described in the tool's Instruction Manual.
- 11) Never use power tools in wet or damp conditions.
- 12) Never use a tool that is damaged or malfunctioning in any way.
- 13) Need an extension cord? Make sure it's a heavy duty cord and don't use indoor rated cords outside.
- 14) If the tool has a three-pronged plug, make sure you use a three-pronged extension cord plugged into a three-pronged outlet.
- 15) Make sure cutters or blades are clean, sharp and securely in place. Never use bent, broken, or warped blades or cutters.
- 16) Never overreach when using a power tool. Stay firmly planted on both feet.
- 17) Never rush what you are doing. Always pay close attention. Don't let anything distract you. Think ahead!
- 18) When using hand-held power tools, always keep a firm grip with both hands. Losing control creates a hazardous situation. Do not use any tool that is too heavy for you to easily control.
- 19) Always use the right tool for the right job. No substitutions allowed!
- 20) Always unplug, clean and store the tool in a safe, dry place when you are finished using it.

- 21) Wear the proper footwear, sandals are not proper footwear for mowing the lawn,
- 22) Watch out for kids, driving or pushing a mower around the yard is not the place for young children to show their parents how well they can “help.” Keep toddlers inside when mowing, and don’t let kids under 12 operate a push mower or kids under 16 run a rider.
- 23) Avoid yard missiles, if you prefer non-shattered windows on your home and neighbor’s car, then pick up stones, branches, toys, sprinklers and other items before you start mowing.
- 24) Don’t mow gravel, never cross over a gravel driveway with the blades engaged.
- 25) Don’t pull backward, whenever possible, try not to pull a lawn mower toward you.
- 26) Ditch the key, lawn mowers look like a big toy to kids. They love to sit on them and pretend they’re really driving, which makes for a precious photo opportunity.
