Palm Sunday

March 29, 2026

Reflection for Palm Sunday

Palm Sunday is the day Christians remember when Jesus Christ entered Jerusalem and was welcomed by crowds waving palm branches and praising Him as King. The palm branches symbolized honor, victory, and hope as the people celebrated His arrival.

Palm Sunday marks the beginning of Holy Week and reminds believers of Jesus' humility and His mission to bring salvation to the world. It also prepares Christians for the events leading to His crucifixion and ultimately His resurrection.

As we look toward Easter, Palm Sunday encourages us to reflect on Christ's love and sacrifice and to welcome Him into our hearts with praise and gratitude.

HOW TO BE MORE ACTIVE

1 MOVE MORE

Adults should get a weekly total of at least

150 minutes of moderate aerobic activity  OR **75** minutes of vigorous aerobic activity 

or a combination of both, spread throughout the week.

-  **BE STRONG**
Include muscle-strengthening activity (like resistance or weight training) at least twice a week.
-  **ADD INTENSITY**
Increase time, distance, amount or effort for more benefits.
-  **SIT LESS**
Get up and move throughout the day.

KIDS & TEENS should get at least **60 minutes** of physical activity every day.

2 TIPS FOR SUCCESS

SET GOALS

Set realistic goals and make small, lasting changes to set yourself up for success.

KEEP GOING

Once you reach these goals, don't stop. Gradually increase your activity and intensity to gain even more health benefits.

WALK MORE

There are many ways to get active. You may find walking the easiest way to start.

ADD IT UP

Find ways to move more throughout your daily routine, whether it's at work, on your commute or at home. Every active minute counts toward your goal.

MAKE A HABIT

Do something active every day at about the same time so it becomes a regular habit. Put it on your schedule so you're less likely to miss a day.
